

Rising TIDE@MKEC

Rising TIDE's Education and Development Program for Urban Youth uplifts and empowers young people in downtown Long Beach:

- through academic support, cultural enrichment, healthy relationship building, nutritional support, and recreational programming,
- by preparing them to lead happy, whole, and productive lives,
- ultimately equipping them with the skills and tools necessary to become self-reliant and fulfill their academic, professional, and personal potential.

The Executive Director, Adele says:

"Rising TIDE young people enjoy healthy relationships while on the road to fulfill their potential & make a positive impact.

A recent visitor commented on how happy the young people seemed, ending their visit by saying, "They really do love it here!"

Our goal this year is to raise over \$20,000 and increase awareness of the valuable service that Rising TIDE is providing.

We hope you can be a part of this event where you can greet old friends or make new ones while enjoying challenges, food, fun, entertainment, inspiration and the opportunity to go home knowing you have made a real difference in the lives of countless young people.

*We are committed to making this a great experience for you and a tremendous success for the Rising TIDE family. Please sign up early and join us for **Rising TIDE's 7th Annual Golf Tournament Fundraising Event** being held on June 28th.*
